# **Belgrade off-grid solar**

## Overview

---

Belgrade Airport, member of the VINCI Airports network since 2018, has become the first airport worldwide offering free off grid, all-solar charging of e-vehicles. Installed at the airport's Premium Parking P1 section, five Beam Global independent EV ARC™ solar stations are now in operation for those in need. When evaluating outdoor power solutions, ask: Does it handle voltage spikes from heavy equipment?

Can it integrate with existing solar panels?

What's the true cost over 5 years?

Here's. Indeed this is a great move for Beam Global on their European development of their innovative products with #Belgrade in #Serbia.
