

KREATYWNY ENERGY POLSKA

Greece s newest battery cabinet

Overview

Principia has announced the completion of its first Battery Energy Storage System (BESS) unit — commercially named “Themelio” — in the Vouno area of Chalkidiki, near Polygyros. The 50 MW / 200 MWh Amyntaio project in Western Macedonia is one of the biggest BESS. Trina Storage, the energy storage arm of Trinasolar, has finalised an agreement for a 50 MW/200 MWh battery energy storage system (BESS) project in Amyntaio, Western Macedonia, Greece. The BESS projects will be supplied on a full turnkey AC basis. The name “Themelio” (meaning “foundation”) is no. Following a brief consultation in late February, the Greek government has unveiled a new battery storage program targeting 4.
