

# HIT solar panel price

## Overview

---

The cost of setting up Panasonic HIT solar panels is estimated at \$3. So, for a 6 kW system, the overall price will come to approximately \$18,600 - that's before any deductions from tax credits or other incentives. Need Less Than the Minimum Order of 10 panels?

Call or Text 646-504-7184 For Pricing. This article will break down if the increased efficiency justifies the additional cost.
