

# Huawei Hungary Wind Solar Energy Storage Project

## Overview

---

Hungary's largest energy storage facility is currently under construction near Szolnok, with Chinese company Huawei involved in the solar energy project. The contract was signed in February, with MAVIR Ltd. 5 billion. Hungary and China are joining forces to construct one of Central and Eastern Europe's largest solar energy storage facilities. The 2-hour battery energy storage system (BESS) is the largest in Hungary, Switzerland-headquartered MET Group said, deployed at its Dunamenti thermal power plant in Százhalombatta. -GoldenPeaks Capital (GPC), one of the largest leading independent power producers in Central Eastern Europe, and Huawei Polska Sp. It provides smart PV solutions for residential, commercial, industrial, utility scale, energy storage systems, and microgrids.

## Huawei Hungary Wind Solar Energy Storage Project
