

KREATYWNY ENERGY POLSKA

Is the promotion of photovoltaic panels a scam

Overview

Con artists use misleading sales tactics and lies to trick homeowners out of money and personal information. If you've received an offer for "free solar panels," it could be a scam. Always look for businesses you can trust - like Accredited Businesses using the BBB Seal. Did a salesperson knock on your door and promise free rooftop solar panels at no cost to you?

Or say you'll never have to pay another electricity bill because government programs, grants, or rebates cover your solar installation?

It's likely a scam. As more families consider solar energy improvements, dishonest companies exploit the fine print in solar panel. In the worst cases, homeowners have been left making payments on overpriced systems that don't work, with little to no support from the installation company that put the panels on their roof. Here's our guide to. The Federal Trade Commission is warning consumers about the growing number of solar scams -
ConsumerAffairs Don't rush into anything - the sun will come out tomorrow, you know! What does every good idea seem to attract?

A scam! With solar panel prices dropping due to increased production and.
