# **Warranty for Mobile Photovoltaic Battery Cabinets**

## Overview

---

The PWRcell inverter, battery cabinet, and module have a 10-year warranty. Most industrial off-grid solar power systems, such as those used in the oil & gas patch and in traffic control systems, use a battery or multiple batteries that need a place to live, sheltered from the elements and kept dry and secure. This place is called a "battery enclosure", or what is. This article lists details of the PWRcell warranty but is not a replacement for the official warranty statement. The warranty features to consider when choosing a battery for your home include: Warranty with Solar Insure - A solar warranty covering battery storage. Why Warranties Matter in PV + Storage Cabinets A PV + storage cabinet—often integrating solar inverters, batteries, charge controllers, and protective devices—can be a powerful, compact solution for residential, commercial.
